## Private offices | Shared offices | Coworking desks

Your business deserves the best! Choose Servcorp.

**No risk.** Our contracts are month by month, and you only pay for what you use.

### Reduced operating costs:

- There is no need to hire a full-time or permanent staff because you have access to the Servcorp team of personal assistants and secretaries should you need the extra help
- Servcorp Connect gets you access to the best IT and communication tools available today. It reduces your office connection and Internet costs to zero!

### More customers

- You get a dedicated receptionist who will tend to your calls so you never miss a lead (and the best part is that it comes with the office. There is no need to pay for a full-time receptionist
- Studies show that 4 out of 5 people won't contact a business that does not have a recognisable CBD address. Don't take the risk, secure a prestigious office in Sydney's newest Harbourside precinct.

Choice of workspaces from a 1person office to a 20+ person fit-out - Servcorp can accommodate your business needs no matter large or small.

**Pre-selling now - Don't miss out**
