

HIVE

MARKETPLACE BYRON BAY

Welcome to, HIVE, Byron Bay's newest marketplace designed to showcase some of the finest offerings in our region.

HIVE is an architecturally designed precinct flanked by Stone and Wood Brewery and Kool Beanz, a 75-place childcare centre.

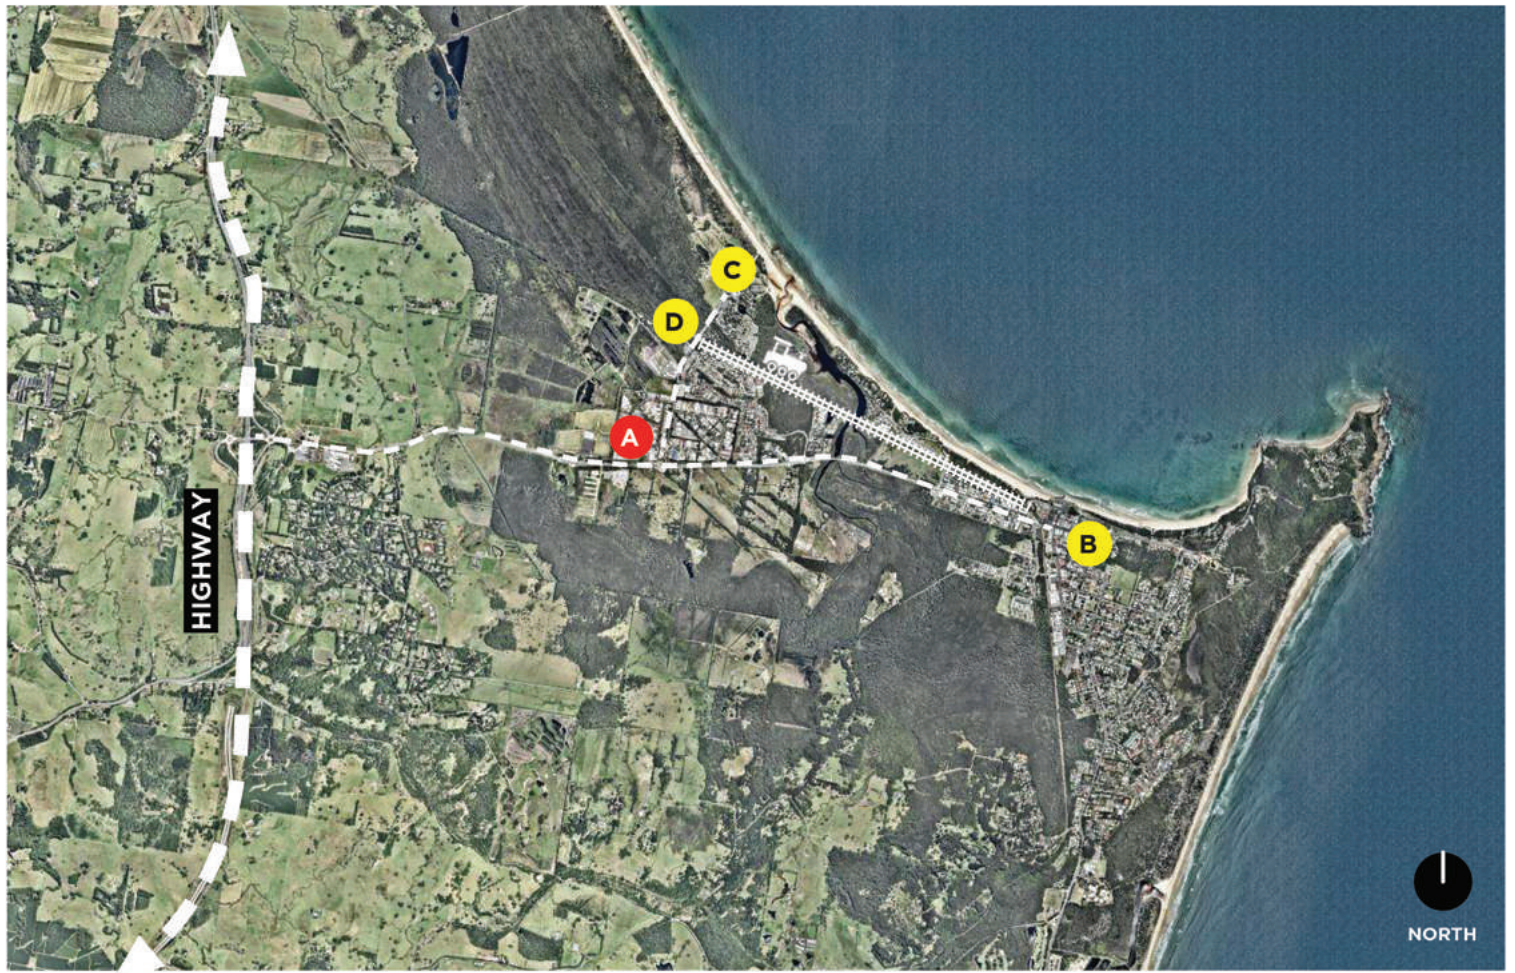

HIVE offers the perfect environment for light industrial manufacturing in an ideal location for producers to engage with their customers in a curated space of complimentary operators. On two levels are designer outlets, connected by an atrium style breezeway flooded in natural light and open space for the community to enjoy. The first floor offers ancillary office spaces with natural light and open spaces.

With fantastic exposure to Ewingsdale Road and its impressive neighbours of Stone and Wood and Kool Beanz Childcare, HIVE is Byron Bay's newest marketplace!

Are you a producer looking for creative space?

Offering amazing leasing incentives with attractive rent-free periods and fit out contributions, HIVE Marketplace is here to showcase your growing business.

THE HEART OF THE HIVE, THE OUTDOOR COVERED DOUBLE HEIGHT SPACE

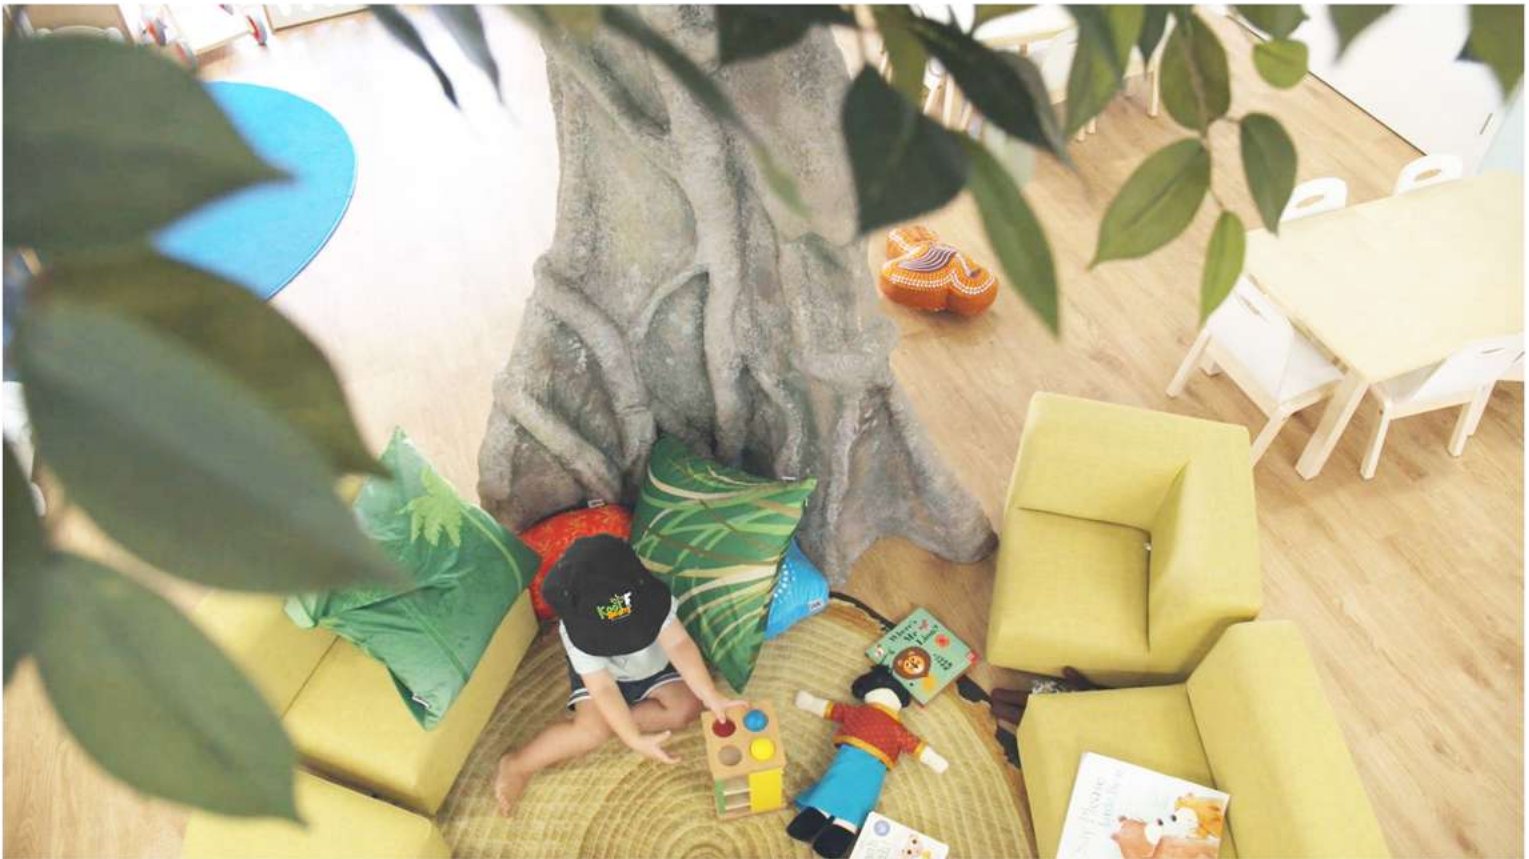

Kool Kids Hive, Byron Bay will be a centre like you've never seen before.

With 150 families visiting every day, we care for children from birth to six years with convenient opening hours 6.30am to 6.30pm.

We have worked hard to secure the best of everything so that our learning can be taken to new levels and our children will be given access to state of the art facilities in our fantastic play-based environment.

The playground has been well designed to complement this new environment and ensure children have access to resources like never before. Inside the centre has state of the art facilities, that are sure to excite and nurture our future artists, scientists, chefs and whatever their heart desires. Along with the brand new building, our team has researched and developed this centre so that you feel confident in your child attending the best centre in New South Wales with a team of educators second to none.

EWINGSDALE ROAD ELEVATION :

The Building offers an eye catching facade, made of perforated aluminium and glass. The view through the middle outdoor covered space of the Hive invites people to come and enjoy this new sensational place.
